

# Training for teachers and leaders

## Mountain Training England - Hill & Moorland Leader

The Dartmoor Centres are an approved provider of the Mountain Training England - Hill & Moorland Leader Award for both training and assessment courses.

These courses are ideal for leaders wishing to supervise activities such as Ten Tors or the Duke of Edinburgh Award in moorland environments anywhere within the UK.

## First Aid Training

The Dartmoor Centres provide first aid training for outdoor leaders. Our courses are accredited by Mountain Medicine and are ideal for outdoor practitioners. We offer practical, common sense training with lots of hands on practical scenarios. Whether you need to refresh an existing award or need a first aid award for the first time, you will find our courses refreshingly fun and engaging.

- 16 hour First Aid for the Outdoors
- First Aid at Work (FAAW)
- Emergency First Aid at Work (EFAAW)
- Refresher courses for all awards

## South West Mountain & Moorland Leader Training Scheme

The Dartmoor Centres are the approved training in Devon provider for the full range of walking leader awards from the South West Mountain & Moorland Leader Training Scheme (SWMMLTS):

- Coast & Countryside Walking Leader
- Coast & Countryside Camping Leader
- Summer Moorland Walking Leader
- Summer Moorland Camping Leader
- Winter Moorland Walking Leader

These courses are ideal for leaders wishing to supervise activities such as Ten Tors or the Duke of Edinburgh Award in the South West of England and the Brecon Beacons.

## Educational Visit Leader Training

Employers (Governors/Trust Boards) are responsible in law for ensuring staff are competent to carry out their duties under the Health & Safety at Work Act (1974).

Attendance of this course can be used as evidence of 'competence' in complying with Local Authority Policies and the law for staff that lead off-site activities such as walks to the park, visits to local countryside, field studies etc.

This one-day course is accredited by the Outdoor Education Advisers' Panel (OEAP) and provides practical advice and training on the safe management of school off-site trips and visits. The course includes:

- Common sense advice on risk management and planning
- Training on writing a risk assessment
- Practical advice on supervising groups on roads and in open spaces

#### Children say..

*"My favourite thing was gripping granite because it was really fun working together as a team"*

*The breakfast was amazing and so was caving*

*My favourite thing was rock climbing because it was a challenge*

*My favourite thing was how we could go to an open space not far away and do activities*

*It was very fun and exciting to see all the Tors"*

## What our customers say..

*"The ethos of all the staff, in tandem with the centre layout and location has allowed the children to feel challenged yet safe. The activities push emotional and physical limits but are delivered in a way which shows no pressure on children. The food is amazing!"*

Matt Brown – Teacher – Whimble Primary School

*"Staff were adaptive, flexible and creative in keeping the group entertained, it was a great success."*

Helen Maiden - Deaf Teenagers group

*"As always all staff were excellent with the children and the food was delicious and plentiful."*

# Activities

### Archery (half-day)

An ancient pastime first used on Dartmoor by Neolithic hunters. Develops listening and sequencing skills.

### Bushcraft; fire lighting, shelter building or outdoor cooking (day or half-day)

Learn how to survive in the wilderness by lighting fires, building shelters or cooking on an open fire. Develops creativity, planning and personal safety.

### Caving (half-day)

We go deep underground to experience a whole new world. Develops teamwork, cooperation and personal safety.

### Climbing (day or half-day)

We head off to one of Dartmoor's iconic tors for 'real' climbing. Develops teamwork, cooperation and personal safety.

### Mindfulness (day or half-day)

On this session we introduce the concept of 'mind - body connection'. Young people will experience a range of activities supporting their emotional development and these practises can be taken through the residential week bringing Young People an awareness of each activity and a deeper understanding of how they are responding to it.

### Moorland Exploration (day or half-day)

We head out onto the open moor to experience the wildlife and history of Dartmoor. Develops, planning and personal responsibility skills and increases knowledge of the natural world and environmental impact.

### Mountain Biking (half-day)

Using the tracks and trails in the forest whilst learning some top tricks. Develops cycling skills, motor skills and personal safety.

### Night Walk (evening)

We set out onto Dartmoor in the evening to discover the crepuscular wildlife and experience a place in a completely new way. Develops teamwork, cooperation and personal safety.

### Orienteering (half-day)

Combining thinking, planning and running we use our skills to explore the forest. Develops special awareness, planning, thinking and cooperation.

### Scrambling (half-day)

Scrambling across the ridge of an elevated tor is like mountaineering on Dartmoor. Develops teamwork, cooperation and personal safety, with a Buzzard's eye view of Dartmoor.

### Search and Rescue (day)

We practice a range of skills such as navigation, casualty care and rope work, then put them to use in rescuing someone in need. Develops teamwork, cooperation and planning.

### Tyrolean Traverse (river crossing)

With expert guidance from our qualified instructors you'll construct a Tyrolean traverse across a local river to cross from one bank to the other without getting wet! Develops teamwork, cooperation and planning.

### Weaselling (half-day)

Every child's favourite, we explore one of Dartmoor's tors finding all the holes and passages we can squeeze through. Develops teamwork, cooperation and personal safety, with a Weasel's eye view of Dartmoor!

### Working Well Together (half-day)

A range of team games designed to focus the mind and improve many of the attributes necessary for a successful residential. Develops teamwork, cooperation listening and planning skills.
