

15 Titles: KS1 Folk and Fairytale Booklist

A crispy, cold January is perfect for sharing a folk or fairy tale with the class, or for finding somewhere cosy for a longer escape into the world of Hans Anderson or The Brothers Grimm. Make fairy tales a highlight of National Storytelling Week (starting on 30th January 2023) with this collection of classic and twisted tales to keep students enthralled and entertained. This is a not-to-be-missed genre that all children should experience.
