

15 Titles: Teen Folk and Fairytale Booklist

At the end of January, we are celebrating National Storytelling Week, and this month's selection of 15 recently published titles is steeped in folklore, mythology and twisted fairy tales. From Irish legend to a Japanese reworking of Cinderella in manga, from stories rooted in West African mythology or Filipino folklore to a modern retelling of Rapunzel as a social influencer, you are guaranteed fifteen powerful and enthralling tales.

Subscribers can contact their adviser for help with weeding and audits or for advice and recommendations.
