

15 Titles: KS1 Gaming, technology and engineering booklist

Welcome pupils back this September and support the STEM curriculum with a collection of titles featuring robots, artificial intelligence, and computers. Hilarious robot antics, thought provoking near future scenarios, and informative non-fiction should provoke plenty of interesting book talk in the classroom or library.

- The books on this list can be purchased from the School Library Service with the complete list priced at £82
- Individual titles can be purchased at a saving of 25% off RRP
- Please contact us at schoollibraryservice@devon.gov.uk or 01392 287244
