

15 Titles: Teen non-fiction booklist

Both 'The Reading Framework' and Ofsted encourage a good provision of non-fiction to allow pupils to read around their curriculum subjects.

Does your non-fiction inspire reading for pleasure, support your current curriculum, and offer a diverse range of books on current topics with up-to-date information?

Make a start celebrating all things factual in 'Non-fiction November' with these amazing non-fiction collections.

Subscribers can contact their adviser for help with weeding and audits or for advice and recommendations.
