

Gypsy, Roma, Traveller history month 2024 Different families' booklist – non-fiction

This year's theme is "What does 'family mean to you?'"

An opportunity to look at the different forms family can take – whether it's parents, grandparents, siblings, neighbours or friends. It's no secret of the importance of family for many Romany, Irish Traveller, Roma and nomadic communities and people. Families come in all shapes and sizes!!

Our varied booklist includes relatable stories representing children from a whole variety of family structures, as well as books that will help all children to encounter and understand a range of families that may not look like their own.
