

BookWrites - using real texts to teach writing: Year 5 & 6 Non-fiction

The English Team's BookWrites lists (Texts That Teach) are the carefully selected texts that the BookWrites teaching sequences are based on.

'There are a great many wonderful texts out there to share with children. However, we put a great deal of thought into the ones we choose to write teaching sequences for to ensure they offer:

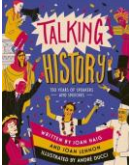

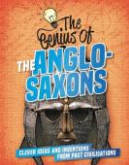

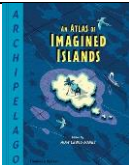

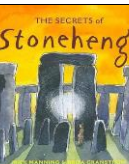

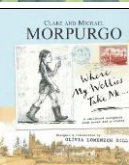

- something worth discussing
- rich language to explore
- structures (text and grammatical) that are national curriculum age-related and can be replicated to inspire pupils' original compositions'

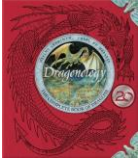

Individual titles can be purchased at a saving of 25% off RRP and include plastic jackets, stationery and free delivery as standard.

Subscribing schools can return books purchased through us as part of their exchange.
