

## SLS news and updates

### News

We will be at the English conference on the 12 November so do come and have a browse and say hello. There will be the opportunity to purchase book sets or individual titles, plus Tola Okogwu will be signing copies of her books.

### Book lists

- We hope you have received your monthly 15 titles for October, focusing on Maths and Computing. For November we will be choosing books about the Arts and Theatre.
- Do make sure you are receiving our monthly newsletter with links to our latest book lists. This is sent to school administrators, but you can subscribe individually on your Devon County Council [subscriber preferences page](#).

### Resources

- For a quick Christmas display, to enthuse younger children about story time, print off our advent calendar of books and order the titles as a topic, exchange or book buy. Perhaps you have some of the titles already or you can swap for favourites from your own Christmas collection.

- We are adding more content to our 'simplified non-fiction library guiding'. It is now freely available on our website.
- We are finding many schools looking to create genre collections. If you plan to organize some or all of your library subscribing schools can book their adviser to help. Our genre resources are on the website for all schools to access.

Look for these on the DSLS library resources page.

- Our ex-library stock has been very popular this year and is available to subscribing schools to boost your collection and eligible for exchange. Now £1 per book.
