Re-think Reading!

Re-think Reading! is a collection of ideas for lessons that can be used and adapted for guided or whole class reading with each primary school year group. They have been written around the demands of the national curriculum programmes of study for reading and are available for each phase: **Y1**, Y2, Y3/4 and Y5/6.

We offer 25% discount on all rrp's unless stated below. All books will be supplied with plastic jackets, SLS stationery and free delivery. Subscribing schools can exchange them through their library allocation.
