Countdown to Christmas for KS1 2025

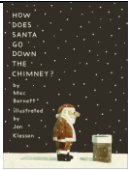

What better time to foster a love of reading than at Christmas?

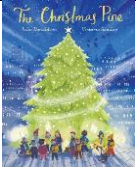

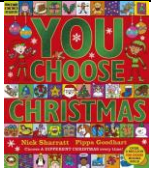

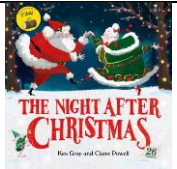

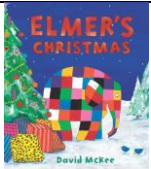

Reading aloud is the foundation of literacy development and a love of books changes lives. With this in mind we have selected 16 wonderful Christmas stories and the resources you will need to create this Countdown to Christmas wall display and build anticipation. By reading the labels the class or an individual child can select the day's story, and once read, the book could be added to the class book box for independent re-reading.

So, gather the necessary books (you can also substitute some of your own) and share some Christmas reading magic.

You can order books through your exchange, topics (subscribers only) or use the form below for any you would like to purchase.

- The books on this list can be purchased from the School Library Service
- Individual titles can be purchased at a saving of 25% off RRP
- Please contact us at schoollibraryservice@devon.gov.uk or 01392 287244
