The National Year of Reading 2026

We are planning a few initiatives for the NYR starting with a year long offer on advisory visits.

For non-subscribing schools we're offering half-price advisory visits for 2026 – available for bookings starting in January. Contact us to find out more and secure your visit.

Resources

Teen book sets

We have updated our teen book sets list and now have 33 teen titles available with multiple copies for you to use with small groups. Available to all schools to borrow at no cost. Please contact us for more details.

Pre-publications booklist

With so many new releases in November it was hardly surprising that December's pre-pubs list was on the short side!

These upcoming releases are available to purchase through us at a 25% off rrp or subscribing schools can request them as part of their exchange.
