

Hobbies and interests: Primary 2026

'Go All In', The National Year of Reading campaign to get more people reading, *'brings reading to them, through their passions. It's about showing that reading isn't a separate world; it's the heartbeat of culture itself.*

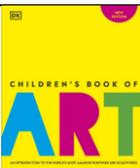

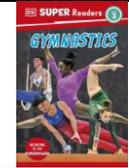

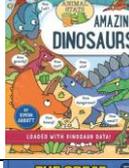

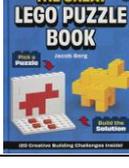

Whatever people are into – sport, music, food, gaming, film, fashion, or creativity – we use it to draw them into reading.'

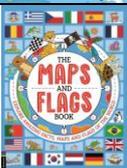

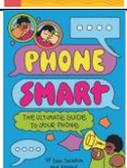

To support this we have curated a diverse list of hobbies and interests for primary pupils with hopefully something to appeal to everyone!

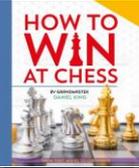

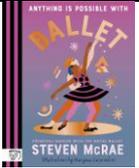

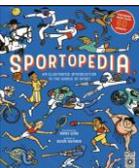

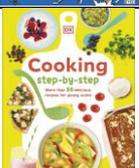

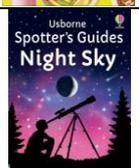

Subject to availability, the individual titles below can be purchased at a saving of 25% off RRP and include plastic jackets, stationery and free delivery as standard.

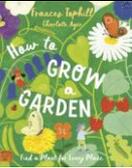

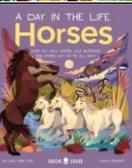

Subscribing schools can return books purchased through us as part of their exchange.
