

Bookbuds - using real texts to teach writing: EYFS Year B

BookBuds are plans for Reception classes that are compatible and consistent with the *BookWrites* pedagogical approach to teaching writing but matched to the EYFS curriculum and provide the foundation for children to transition to *BookWrites* in Y1.

They are the carefully selected texts that the *BookWrites* teaching sequences are based on.

'There are a great many wonderful texts out there to share with children. However, we put a great deal of thought into the ones we choose to write teaching sequences for to ensure they offer:

- *something worth discussing*
- *rich language to explore*
- *structures (text and grammatical) that are national curriculum age-related and can be replicated to inspire pupils' original compositions'*

Individual titles can be purchased at a saving of 25% off RRP (unless indicated) and include plastic jackets, stationery and free delivery as standard.
